## 2021 PRIMROSE VINEYARD CABERNET

### GROWING SEASON

The 2021 Barossa Valley vintage will be remembered as an almost faultless season after the challenging years that preceded it. Good spring rains meant that for the first time in many years we entered the growing season with good soil moisture levels. A warm dry growing season followed, with balanced and healthy canopies producing an average crop of extremely high quality fruit. Certainly the best in a decade, maybe longer. The good news is that flavours and colours (in reds) and overall quality is exceptional. A truly great Barossa vintage in the making.

### TASTING NOTE

Our Single Block 'Vineyard Series' Primrose Cabernet from the exceptional 2021 vintage comes from a tiny patch of Cabernet Sauvignon grown high in the hills of famed Schulz Vineyard in the Ebenezer sub-region of the northern Barossa. This block is adjacent to the Primrose Shiraz block. The soil in this section of the vineyard is rich ironstone over clay and white marl.

The wine has all the hallmarks of a Northern Barossa cabernet grown on ironstone soils in a cool vintage - bright purple red hue, powerful black and blue fruits, medium to full bodied, absolute purity of fruit with fine abundant natural tannins. This wine is well integrated and drinks beautifully now, but will cellar for a long time in the right conditions.
