

HAYES FAMILY WINES

BAROSSA VALLEY

Hayes Family Wines is a small-scale, family owned and run wine producer located in Stone Well in the heart of the Barossa Valley. Our multi-generation vineyards have an enviable track record of producing some of the region's finest wines. Our wines are made with thought, using organic, sustainable and traditional low-intervention practices, whilst embracing innovation. We have an uncompromising focus on producing the best wines possible; wines that display fruit purity, balance and ageability.

2016 Reserve Shiraz

Our Reserve Shiraz from the great 2016 vintage again comes from a tiny patch of special shiraz grown on the historical Schulz Vineyard of the Ebenezer subregion of the Northern Barossa. This vineyard has been farmed by the Schulz's for 7 generations and over 150 years and is one of the truly special vineyards of the Barossa Valley.

Like the Vineyard Series Ebenezer Shiraz of the same vintage, this wine has all the hallmarks of a wine that will benefit from a significant stint in the cellar - bright purple hue, powerful black and blue fruits, full bodied; the dense fruit balanced by abundant natural tannins. Carries an extra level of intensity from its time in a single new water bent 225L French barrique barrel. Drinking well now I am confident this wine will continue to improve for many years in the cellar.
