BAROSSA VALLEY

Hayes Family Wines is a small-scale, family owned and run wine producer located in Stone Well in the heart of the Barossa Valley. Our multi-generation vineyards have an enviable track record of producing some of the region's finest wines. Our wines are made with thought, using organic, sustainable and traditional low-intervention practices, whilst embracing innovation. We have an uncompromising focus on producing the best wines possible; wines that display fruit purity, balance and ageability.

2017 Vineyards Series Primrose Shiraz

Our Single Block 'Vineyard Series' Primrose Shiraz from the very good 2017 vintage again comes from a tiny patch of special shiraz grown high in the hills of famed Schulz Vineyard in the Ebenezer sub-region of the Northern Barossa. The soil in this section of the vineyard is rich ironstone over clay and limestone.

The wine has all the hallmarks of a Northern Barossa shiraz grown on ironstone soils - bright purple red hue, powerful black and blue fruits, full bodied, the dense fruit balanced by abundant natural tannins. This wine is well integrated retaining a touch of elegance. Although drinking well on release will surely improve for many years in the cellar.
