HAYES FAMILY WINES

BAROSSA VALLEY

Hayes Family Wines is a small-scale, family owned and run wine producer located in Stone Well in the heart of the Barossa Valley. Our multi-generation vineyards have an enviable track record of producing some of the region's finest wines. Our wines are made with thought, using organic, sustainable and traditional low-intervention practices, whilst embracing innovation. We have an uncompromising focus on producing the best wines possible; wines that display fruit purity, balance and ageability.

2017 Stone Well Shiraz

Our Single Block 'Vineyard Series' Stone Well Shiraz from the very good 2017 vintage comes from block 1 of our Home Vineyard in Stone Well esteemed soils famous to the region. The soil in this section of the vineyard is deep gravelly loam over red clay and mottled clay / limestone.

The wine has all the hallmarks of the Stone Well area - bright purple red hue, blackberry and earth, full bodied. The dense fruit is balanced by abundant natural tannins. Block 1 performed exceptionally well in the milder 2017 vintage, producing a wine of great balance. A wine that will improve for the medium to longer term in the right cellar conditions.
