BAROSSA VALLEY

Hayes Family Wines is a small-scale, family owned and run wine producer located in Stone Well in the heart of the Barossa Valley. Our multi-generation vineyards have an enviable track record of producing some of the region's finest wines. Our wines are made with thought, using organic, sustainable and traditional low-intervention practices, whilst embracing innovation. We have an uncompromising focus on producing the best wines possible; wines that display fruit purity, balance and ageability.

2018 Barossa Valley Alice's Mataro

The grapes for our Mataro from the 2018 Vintage were grown high in the hills above Ebenezer on the famed Schulz vineyard. The fruit was picked at perfect ripeness, late in the season but with a freshness that growing at altitude brings. Hand picked, de-stemmed, before being fermented in a small open top fermenter. Matured in a single older French oak hogshead before being bottled in December 2018.

This wine is bright, lifted florals, red fruits, with a medium bodied pallet supported by fine tannins. A wine that is drinking very well on release and will continue to do so for many years.
