**Hayes Family Wines** is a small-scale, family owned and run wine producer located in Stone Well in the heart of the Barossa Valley. Our multi-generation vineyards have an enviable track record of producing some of the region's finest wines. Our wines are made with thought, using organic, sustainable and traditional low-intervention practices, whilst embracing innovation. We have an uncompromising focus on producing the best wines possible; wines that display fruit purity, balance and ageability.

## 2018 Vineyard Series Glengrae Grenache

Glenn Becker's dry grown bush block in Ebenezer is one of the true treasures of the Northern Barossa. A lost block of less than 2 acres planted generations ago. Traditionally farmed with no access to supplementary water, highly exposed and subject to frost more years than not. The vineyard is a true reflection of Glenn and his personality. It is unique and the wine that results in years where we get a crop is of such quality that when the conditions allow, we bottle a small volume as a Vineyard Series. 2018 was one such year, brilliant weather, high quality, and for the block, an amazing volume of fruit.

Hand picked late in the season at low baume, the fruit was de-stemmed before being transferred to a ceramic egg for fermentation prior to spending a few months in an older French puncheon.

The resulting wine is highly perfumed, delicate yet having the length and persistence that this great block can produce in the best of vintages. A wine of rare class that can be enjoyed for many years.
