

HAYES FAMILY WINES

BAROSSA VALLEY

Hayes Family Wines is a small-scale, family owned and run wine producer located in Stone Well in the heart of the Barossa Valley. Our multi-generation vineyards have an enviable track record of producing some of the region's finest wines. Our wines are made with thought, using organic, sustainable and traditional low-intervention practices, whilst embracing innovation. We have an uncompromising focus on producing the best wines possible; wines that display fruit purity, balance and ageability.

2019 Barossa Valley Rosé

The 2019 Barossa Valley Rosé is sourced from our estate vineyard in Stone Well on the Western Ridge. A blend of old vine Grenache and Mataro from the wonderful 2019 Vintage. This vineyard is farmed organically and was first planted in the 1940s. This wine is our take on a refreshing, dry, traditionally pale rosé.

Very light salmon pink in colour, lifted strawberry, summer fruits and flows dominate the nose with a dry more-ish finish. This wine has a wonderful purity, picked early in the 2019 season. Drinking beautifully on release, this wine is best consumed over the warmer months with friends.
