2020 ESTATE SHIRAZ

GROWING SEASON

The 2020 Barossa Valley vintage will be remembered for many reasons both locally and globally. In the vineyard, 2020 was the second consecutive season of very low yields, the lowest on record. But like 2019, the vintage is shaping up to be a stand-out for quality. The growing season started dry and stayed that way. A pattern that has been in play since the 2017 vintage. Early heat in October coupled with unseasonal high winds resulted in a very poor fruit set, particularly in the Shiraz. After the early setbacks, vintage progressed as we had wished. Dry, warm days and cool nights allowed discretion when picking. We chose to wait for flavour ripeness. By the early April all our Barossa Valley grapes were harvested. The good news is that flavours and colours (in reds) and overall quality looks very promising.

TASTING NOTE

Our Estate Stone Well Shiraz from the very good 2020 vintage is a blend of 5 primary Shiraz blocks on the Estate; Block 1, 6, 9, 10 and 11. The vineyard is Certified Organic. The soil varies significantly across the blocks with different topsoil depths. Blocks have various row directions. All vines are on own roots.

The wine has all the hallmarks of the Stone Well area - bright purple red hue, blackberry and earth, full bodied. The dense fruit is balanced by abundant natural tannins. Quite plush for the vintage. A wine that will cellar well in the right conditions.
