2020 BAROSSA VALLEY ROSÉ

GROWING SEASON

The 2020 Barossa Valley vintage will be remembered for many reasons both locally and globally. In the vineyard, 2020 was the second consecutive season of very low yields. But like 2019, the vintage is shaping up to be a stand-out for quality. The growing season started dry and stayed that way. A pattern that has been in play since the 2017 vintage. Early heat in October coupled with unseasonal high winds resulted in a very poor fruit set, particularly in the Shiraz. After the early setbacks, vintage progressed as we had wished. Dry, warm days and cool nights allowed discretion when picking. We chose to wait for flavour ripeness. By the early April all our Barossa Valley grapes were harvested. The good news is that flavours and colours (in reds) and overall quality is exceptional. Another extremely good Barossa Vintage in the making.

TASTING NOTE

The 2020 Barossa Valley Rosé was sourced from vineyard in Williamstown, southern Barossa. A blend of old vine Grenache and Mataro from the wonderful 2020 vintage. This wine is our take on a refreshing, dry, traditionally pale Rosé.

Light salmon pink in colour, lifted strawberry, summer fruits and flowers dominate the nose with a dry more-ish finish. This wine has a wonderful purity, balancing bright fruits of the Grenache and the savoury Mataro characteristics. Drinking beautifully on release, this wine is best consumed over the coming months with friends.
