2021 GLENGRAE OLD BUSH GRENACHE

GROWING SEASON

The 2021 Barossa Valley vintage will be remembered as an almost faultless season after the challenging years that preceded it. Good spring rains meant that for the first time in many years we entered the growing season with good soil moisture levels. A warm dry growing season followed, with balanced and healthy canopies producing an average crop of extremely high quality fruit. Certainly the best in a decade, maybe longer. The good news is that flavours and colours (in reds) and overall quality is exceptional. A truly great Barossa vintage in the making.

TASTING NOTE

Glenn Becker's dry grown bush block in Ebenezer is one of the true treasures of the Northern Barossa. A lost block of less than 2 acres planted generations ago. Traditionally farmed with no access to supplementary water, highly exposed and subject to frost more years than not. The vineyard is a true reflection of Glenn and his personality. It is unique and the wine that results in years where we get a crop is of such quality that when the conditions allow, we bottle a small volume as a Vineyard Series. 2021 was one such year. Hand picked at relatively low baume late in the season as is typically the case. The fruit was de-stemmed before fermented for 18 days on skins before being transferred to a single puncheon for maturation. The resulting wine is highly perfumed, medium to full bodied with a five spice character that we often see from this block. Dense fruit with a savoury edge. Great length and persistence. A wine that can be enjoyed for many years.
