2021 HOFFMANN DV SHIRAZ

GROWING SEASON

The 2021 Barossa Valley vintage will be remembered as an almost faultless season after the challenging years that preceded it. Good spring rains meant that for the first time in many years we entered the growing season with good soil moisture levels. A warm dry growing season followed, with balanced and healthy canopies producing an average crop of extremely high quality fruit. Certainly the best in a decade, maybe longer. The good news is that flavours and colours (in reds) and overall quality is exceptional. A truly great Barossa vintage in the making.

TASTING NOTE

Our 'Vineyard Series' Hoffmann DV Shiraz from the excellent 2021 vintage once again comes from the extensive Hoffman vineyards in the Ebenezer in the Northern Barossa. In this case, a blend of the Mickan and Dallwitz blocks.

The wine has all the hallmarks of a northern Barossa Shiraz - bright purple red hue, powerful black and blue fruits, full bodied, the dense fruit balanced by abundant natural tannins. More plush than its Primrose Shiraz cousin. This wine is drinking well on release but is sure to improve with cellar time.
