2021 PRIMROSE VINEYARD CHARDONNAY

GROWING SEASON

The 2021 Barossa Valley vintage will be remembered as an almost faultless season after the challenging years that preceded it. Good spring rains meant that for the first time in many years we entered the growing season with good soil moisture levels. A warm dry growing season followed, with balanced and healthy canopies producing an average crop of extremely high quality fruit. Certainly the best in a decade, maybe longer. The good news is that flavours and colours (in reds) and overall quality is exceptional. Another extremely good Barossa vintage in the making.

TASTING NOTE

1975 plantings of the OF (or Gin Gin) Clone of Chardonnay, some of the oldest plantings in South Australia. Less than 1 acre remains. Grown in Ebenezer on the famous Schulz Primrose Vineyard in the Northern Barossa. Handpicked, hand sorted, de-stemmed, before being fermented and aged in a single seasoned French puncheon. This Chardonnay is light straw, fresh and bright, almost tropical in its youth. Has a brightness that belies its vineyard source. A wonderful wine to enjoy over the next 10 years with someone special
