2021 SCHULZ HOME BLOCK VINEYARD SEMILLON

GROWING SEASON

The 2021 Barossa Valley vintage will be remembered as an almost faultless season after the challenging years that preceded it. Good spring rains meant that for the first time in many years we entered the growing season with good soil moisture levels. A warm dry growing season followed, with balanced and healthy canopies producing an average crop of extremely high quality fruit. Certainly the best in a decade, maybe longer. The good news is that flavours and colours (in reds) and overall quality is exceptional. Another extremely good Barossa vintage in the making.

TASTING NOTE

100% old vine Maderia Clone Semillon grown in Ebenezer in the Northern Barossa. Handpicked, hand sorted, de-stemmed, the 2021 Schulz Home Vineyard Semillon is made in the traditional (classic) barossa style, fermented in neutral vessels. The Semillon is light straw tinged with green. Extraordinarily fresh and bright in its youth. Beautiful spring nose featuring lemon and lime and all sorts of field flowers. Extraordinarily lifted and fresh. The wine is light, very clean and fresh. A wonderful wine to enjoy over the warmer months but for those with good cellaring conditions this is a wine that will improve for many years.
