2022 FROMM VINEYARD GRENACHE

GROWING SEASON

The 2022 Barossa Valley vintage will be remembered as the second almost faultless season in a row after an equally impressive although different 2021 vintage. Both Vintages were cool, the coolest since 2002. Good spring rains meant that we entered the growing season with good soil moisture levels. A warm dry growing season followed, with balanced and healthy canopies producing an average crop of extremely high quality fruit.

A pigeon pair, perhaps the best two since 1990/1991 if not longer. The good news is that flavours and colours (in reds) and the vibrancy and lift in the whites are incredible. Overall quality is exceptional. Another extremely good Barossa vintage in the making.

TASTING NOTE

The 2022 Fromm Grenache was sourced from the very old Fromm Family Vineyard in Williamstown, in the southern Barossa Valley. 100 % Old vine Grenache from the distinctly cool 2022 vintage. Farmed by the Fromm's for over 100 years, it is an isolated block that produces special grapes. Hand picked, the fruit was de-stemmed before being transferred to our small fermenters. Once dry, the wine was transferred into a seasoned French oak puncheons for maturation prior to being bottled in December 2022. This wine carries tremendous balance, bright red fruits, medium bodied, all the hallmarks of the Southern Barossa in a wonderful vintage. Drink now or for 10 years or more
