2022 SCHULZ HOME BLOCK VINEYARD SEMILLON

GROWING SEASON

The 2022 Barossa Valley vintage will be remembered as the second almost faultless season in a row after an equally impressive although different 2021 vintage. Both Vintages were cool, the coolest since 2002. Good spring rains meant that we entered the growing season with good soil moisture levels. A warm dry growing season followed, with balanced and healthy canopies producing an average crop of extremely high quality fruit.

A pigeon pair, perhaps the best two since 1990/1991 if not longer. The good news is that flavours and colours (in reds) and the vibrancy and lift in the whites are incredible. Overall quality is exceptional. Another extremely good Barossa vintage in the making.

TASTING NOTE

100% old vine Maderia Clone Semillon grown in Ebenezer in the Northern Barossa. Handpicked, hand sorted, de-stemmed, the 2022 Schulz Home Vineyard Semillon is made in the traditional (classic) barossa style, fermented in neutral vessels. The Semillon is light straw tinged with green. Extraordinarily fresh and bright in its youth. Beautiful spring nose featuring Lemon, musk and spring flowers. Vibrant.

The wine is light, very clean and fresh. A wonderful wine to enjoy over the warmer months but for those with good cellaring conditions this is a wine that will improve for many years.
